**Delta Dental of California**  
17871 Park Plaza Drive, Suite 200  
Cerritos, 90703  
Customer Service: (800) 422-4234

## **Participation and Maintenance Requirements**

A minimum employee participation of three employees enrolled at all times is required.

### **Plan Eligibility**

An eligible employee is an active, full-time employee who meets the above participation requirements, is working at least 30 hours per week, and is paid a salary, wages, or earnings from which federal and state tax and Social Security deductions are made. Partners and proprietors actively engaged in the business on a full-time basis and who meet the above participation requirements also are eligible. If the employer wishes to cover part-time employees who work at least 20 hours per week, he or she may do so, but only as long as the group meets the participation and maintenance requirements outlined in this guide.

An eligible dependent is the employee's lawful spouse or domestic partner and any child of the enrolled applicant or spouse/domestic partner who is under age 26. It is the employee's responsibility to inform the group administrator of any change in status of his/her dependents. Eligible dependents also must meet the participation requirements as outlined in this guide. If the enrolling employee does not elect to cover their dependents, then dependents may not enroll later unless there is a qualifying event. Dependent children may remain on this plan to age 26.

### **Employee Effective Dates**

1<sup>st</sup> of the month following receipt of application, waiting period, or qualifying event. Applications should be submitted to HealthSmart within 30 days of qualifying event.

### **Adding Employees**

Newly eligible employees electing coverage should complete an application for the employer's submission to HealthSmart prior to the effective date of coverage. If an application is not received prior to the effective date, the employee will be added to the plan and be effective the first of the month following receipt of the employee's application by HealthSmart. When adding a newly eligible employee, the employer should not make any adjustments to the monthly invoice.

### **Adding/Terminating Dependents**

If the enrolling employee does not elect to cover their dependents, then dependents may not enroll later unless there is a qualifying event. Employees may add dependents by completing an Employee Vision Application and submitting it to HealthSmart. To delete a dependent, employees must complete a Termination Request Form and submit it to HealthSmart.

### **Reporting Terminated Employees**

Employees who terminate employment are contractually entitled to coverage through the last day of the month in which they last worked on a full-time basis. For example, an employee who terminates employment on June 5th is entitled to coverage through June 30th. Premiums are to be paid for the last month of coverage for any such employee. The employer may use the Termination Form (attached at end of document) or can take the following steps to report terminations and delete employees from the policy:

1. Draw a line through the name of the terminated employee on the invoice for the month following the employee's last day of work.
2. Note the date the employee last worked beside his or her name on the invoice. HealthSmart will not be able to process the request without an exact termination date.
3. Adjustments will be made on the next month's invoice.

Employers must report terminations no later than one month following the date of the termination. HealthSmart will not allow a premium credit for more than one month's premium. Terminations will appear on the following month's invoice.

**Terminating an active employee** is permitted only if the employer continues to maintain the minimum participation and maintenance requirements outlined in the section entitled "Participation and Maintenance Requirements."

## **COBRA and State Continuation of Benefits Participation**

The Consolidated Omnibus Budget Reconciliation Act (COBRA) requires employers with 20 or more employees to offer certain employees and dependents Federal continuation of benefits beyond normal coverage termination dates. Employers with 2 to 19 employees may be similarly required to offer employees coverage under their State's law for continuation of benefits coverage.

Generally, covered employees and their covered dependents may become eligible for continuation coverage under COBRA or State guidelines due to such qualifying events as a reduction of work hours, termination of employment, divorce, legal separation, death, loss of dependent status or Medicare eligibility. There are certain actions employers must take in order to comply with continuation of benefits coverage, as applicable.

## **Continuation Coverage**

The VSP plan certificate states that covered employees, though not working full-time, may under certain circumstances continue to be covered by the plan, provided that premiums are paid in full by the employee. It is the employer's responsibility to notify HealthSmart in writing of any employee who wishes to elect continuation of coverage (disability, leave of absence, exhaustion of continuation of benefits coverage) and the duration of time in which benefits are to be continued. This notification must be received by HealthSmart prior to the beginning of the continuation period. Please use the Termination Request Form at the end of this document for the notification.

## **Change of Name or Address**

Employers, who have a company name change, relocate or have a change of billing or physical address, must notify HealthSmart either by noting the change on the invoice or by forwarding the change in letter form.

## **Premiums**

**Premium checks should be made payable to HealthSmart Benefit Solutions, Inc. or "HealthSmart"**. Be sure to write your employer number on your check, and enclose the remittance copy of your invoice along with your check in the return envelope provided. Auto draft (ACH) is available upon request.

## **Premium Due Dates**

Premium invoices are sent out on or about the 25<sup>th</sup> of the month prior to the billed month. Premiums are due by the 15<sup>th</sup> of the billed month. Employees are not eligible for benefits until the premium due is received and processed by HealthSmart. If the bill is received late, or is not received at all, the employer should contact HealthSmart for a copy of the bill and submit payment.

## **Fees**

The employer is responsible for the payment of any fees that appear on the monthly invoice:

- **The \$15.00 Administration Fee** (if applicable) appears each month on your invoice and covers, among other items, the cost of billings, collections, insurance record maintenance, and printing of forms.
- **The \$5.00 Delinquency Fee** is a charge for late payment of premium.
- **A \$25.00 Non-Negotiable Check Fee** is a charge for the 1st returned check, and a \$50.00 Non-Negotiable Check Fee is charged for all returned checks thereafter.

## **Late Payments and Cancellation**

Your account will be considered delinquent if HealthSmart does not receive premiums before the delinquent date provided on your invoice. If they payment is not received by the 1<sup>st</sup> business day of the month following the billed for month, a \$5.00 delinquency fee will be charged for late remittance of premium.

If premiums have not been received by HealthSmart by the 15<sup>th</sup> of the month following the billed for month, coverage for all employees and dependents will be cancelled. For example, if a February 1<sup>st</sup> premium payment is due on February 15th, coverage will automatically be cancelled if the delinquent premium is not received by March 15th. In the above example, the effective date of cancellation would be January 31st.

## **Not-Negotiable Checks**

Checks returned by the bank for insufficient funds, stop payment, missing signature, or any other reason for which the bank would deem a check non-negotiable would be treated as though no premium payment was received. A \$25.00 handling fee will be charged for the 1st non-negotiable check. A \$50.00 handling fee will be charged for the 2nd and any other thereafter non-negotiable checks. A money order or cashier's check is required for all future payments after the 2nd non-negotiable check.
