The group division of Ameritas Life Insurance Corp. has served customers since 1959, and today provides dental, vision and hearing care products and services for nearly 113,000 employer groups, insuring or administering benefits for more than 6 million people nationwide.

Our contact centers have earned BenchmarkPortal's Center of Excellence certification for seven straight years and twice placed in BenchmarkPortal's Top 100 contest for small centers in 2011 and 2014.

But we do more than just provide benefits coverage. Our award-winning contact center associates offer friendly, skilled service to explain your benefits. Once enrolled, you can register online at [ameritas.com](http://ameritas.com) and sign up for a secure member account to access plan information such as a benefit summary, remaining benefits, pending/paid claims and ID cards.

It's all available at [ameritas.com](http://ameritas.com).

## See Any Dentist

You have no limitations on the dental provider(s) you choose. You may, however, lower your out-of-pocket costs by selecting a provider from our expansive dental network.

Our nationwide network includes over 360,000 access points. For a complete list of dental network providers, please visit [ameritas.com](http://ameritas.com), or download the "Ameritas Provider Locator" app on your mobile phone.

## Fixed Benefit Dental Plan

With Ameritas coverage, insurance surprises are limited because you'll know what the plan will pay for a covered procedure ahead of time. You pay the difference between what the plan pays and

the network provider's reduced fee. If you choose to go out of network, you pay the difference between what the plan pays and the provider's actual charge. You almost always save on out of pocket costs when visiting a network provider.

The plan provides comprehensive coverage for all members. Please note, on Type 3 Major procedures, there is a 12-month waiting period.

**Annual Maximum** . . . . . \$1,000

**Deductible** . . . . . \$50

(waived for Type 1 Preventive procedures such as exams, cleanings and x-rays)

A Family Deductible Maximum is included in your plan. This means when three family members satisfy their annual deductible amounts in the same benefit year, they have reached the Family Deductible Maximum, so no more family member deductibles are required in that benefit year.

## Dental Rewards®

Ameritas is the industry pioneer behind Dental Rewards. This option allows those who use little of their annual maximum benefit to carry over a portion of it to help offset more expensive dental procedures that may arise in the future. So when you stay under the plan's threshold amount of \$500 for annual paid claims, you get a \$250 dental reward. If visiting one of our network providers, you get an extra \$100 bonus. Accumulate up to \$1,000 to add to your \$1,000 annual maximum.

## Alternate Benefit Provision

If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the covered expense will be equal to the charge for the least expensive procedure.
