

VSP Primary EyeCare PlanSM

Give your members complete eye health coverage with the VSP Primary EyeCare Plan. This essential plan goes beyond routine eyecare and provides additional coverage for medical and urgent eyecare services. Members can see their VSP Preferred Provider without a referral as often as needed. Plus, they'll have the reassurance and convenience of visiting the same eyecare provider who knows their eyes best.

Plan Coverage	
Specialty Eyecare Services	<ul style="list-style-type: none">• The VSP Primary EyeCare Plan provides supplemental coverage for non-surgical medical eye conditions¹ including:<ul style="list-style-type: none">○ diagnosis and tests for vision loss○ treatment for conditions such as pink eye○ management of glaucoma and diabetic eye disease• VSP providers may use ocular photography to identify abrasions, growths, or other eye abnormalities.• VSP providers also provide follow-up medical eyecare, including any necessary referrals and consultations with the patient's primary care physician.
VSP Preferred Providers	<ul style="list-style-type: none">• VSP Preferred Providers are in retail, neighborhood, and professional settings, with 88% offering extended hours.• Our providers average 21 years in practice, with 99% network retention, so our members benefit from long-term, consistent care.• 100% of our providers are credentialed to NCQA standards.• All VSP providers use Evidence-Based Eyecare®, which includes best-practice medical guidelines, comprehensive eye exam standards, and coordination of care with the patient's primary care physician.

¹ The VSP Primary EyeCare Plan provides a standardized set of services that can be performed by optometrists in most states. Contact your VSP representative for more information regarding specific coverage.
