### Questions you may have

#### General questions

**Q:** Why is this change taking place?

**A:** Part of NRBT's business strategy includes providing superior customer service. We're making this switch because we're confident Pathian will deliver that to you and your clients.

**Q:** When will NRBT switch TPAs from HealthSmart to Pathian?

**A:** June 1, 2019

**Q:** Will I still be working with Warner Pacific for new cases?

**A:** Yes. Nothing will change in terms of how you are serviced.

**Q:** What does it mean when NRBT says it will switch to a new TPA?

**A:** That means another company, Pathian, will begin to manage plan eligibility and billing for your clients. It also means Pathian will manage and pay your commissions.

**Q:** Do I have to let my clients know about this change?

**A:** No. NRBT will mail your clients with all the information they need to know.

**Q:** With this new change, will my clients' dental or vision rates stay the same for this renewal year?

**A:** Yes. All rates and benefits will remain the same for the renewal year.

**Q:** What changes should my clients expect?

**A:** Your clients will begin receiving invoices from Pathian after June 1. They will receive a final invoice from our current TPA, HealthSmart, for June 1.

Your clients will need to sign a new ACH form if their premiums are withdrawn via bank draft. If they're mailing premiums, they will have to start mailing them to Pathian Administrators starting in June.

**Q:** Will I have the same Broker ID number?

**A:** No. You will be assigned a new Broker ID number from Pathian. It will be included in the first commission statement you'll receive from Pathian in June.

**Q:** Will my group have the same Division Number?

**A:** No. Pathian does not use the term Division Number. The Pathian group ID numbers will be referred to as a Billing Number. Each group will see their new Billing Number on the first invoice generated by Pathian.

### **Commission questions**

**Q:** If I'm currently being paid by check, will I continue to be paid that way?

**A:** Yes. After June 1, you will receive commission checks from Pathian.

If you want to receive your commissions faster and more conveniently, we encourage you to complete a new W-9 and direct deposit authorization form. Those forms are available below.

**Q:** If I'm currently being paid via direct deposit, will I continue to be paid that way?

**A:** No. To continue receiving **direct deposit** commission payments, you must complete the new W-9 and direct deposit authorization forms. Those forms are available below.
