

Dental Plan 1250 Snapshot

Keep your employees happier, healthier with dental benefits from Inshore and Ameritas

Hassle-free dental benefits

See any dentist. Ameritas dental plans allow members to see any dentist they choose, in- or out-of-network. Family members do not need to see the same dentist.

Save money. Visiting a network dentist can make benefit dollars go further. Dentists in the Ameritas network have agreed to charge members 25-50% less than their regular rates.

Avoid paperwork. When visiting a network provider, there are no claim forms to submit. Members simply make the appointment and show up.

Exceptional network. The Ameritas Dental Network is one of the nation's largest. Plus, members can see AmexUS providers in Mexico. Find a dental provider at ameritas.com, find a provider.

Fixed benefit dental plan

With Ameritas, insurance surprises are limited because members can see what the plan pays. We call it Maximum Covered Expense. The dollar amount that insurance pays for each dental procedure is shown in a table, or schedule of benefits. Members pay the difference between what the plan pays and the provider's fee. When members visit a network dentist their benefits may go further.

Dental Rewards®

When members see the dentist each year and their total paid claims come in under \$500, they qualify to carry over \$250 to add to their next year's annual maximum benefit. When seeing a network provider, members get an extra \$100. Over time, they can almost double their annual maximum benefit up to \$2,250 (\$1,250 annual max + \$1,000 accumulated rewards per person).
