PROCEDURES FOR USING THIS PLAN

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

1. When you desire to obtain Plan Benefits from a Member Doctor, you should contact a Member Doctor or VSP. A list of names, addresses, and phone numbers of Member Doctors in your geographic location can be obtained from your Group, Plan Administrator, or VSP. If this list does not cover the geographic area in which you desire to seek services, you may call or write the VSP office nearest you to obtain one which does.

2. If you are eligible for Plan Benefits, VSP will provide Benefit Authorization directly to the Member Doctor. If you contact a Member Doctor directly, you must identify yourself as a VSP member, so the doctor knows to obtain Benefit Authorization from VSP.

3. When such Benefit Authorization is provided by VSP and services are performed prior to the expiration date of the Benefit Authorization, this will constitute a claim against this plan in spite of your termination of coverage or the termination of this plan. Should you receive services from a Member Doctor without such Benefit Authorization or obtain services from a provider who is not a Member Doctor, you are responsible for payment in full to the provider.

4. You pay only the Copayment (if any) to the Member Doctor for the services covered by this plan. VSP will pay the Member Doctor directly according to their agreement with the doctor. VSP reimburses its Member Doctors on a fee-for-service basis. There are no incentives or financial bonuses paid to Member Doctors for services covered under this plan.

   Note: If you are eligible for and obtain Plan Benefits from a Non-Member Provider, you should pay the provider his full fee. You will be reimbursed by VSP in accordance with the Non-Member Provider reimbursement schedule shown on the enclosed insert, less any applicable Copayments.

5. In emergency conditions, when immediate vision care of a medical nature such as for bodily trauma or disease is necessary, Covered Person can obtain covered services by contacting a Member Doctor (or Out-of-Network Provider if the attached Schedule of Benefits indicates Covered Person's Plan includes such coverage). No prior approval from VSP is required for Covered Person to obtain vision care for Emergency Conditions of a medical nature. However, services for medical conditions, including emergencies, are covered by VSP only under the Acute EyeCare and Primary EyeCare Plans. If coverage for one of these plans is not indicated on the attached Schedule of Benefits or Addendum, Covered Person is not covered by VSP for medical services and should contact a physician under Covered Person's medical insurance plan for care. For emergency conditions of a non-medical nature, such as lost, broken or stolen glasses, the Covered Person should contact VSP's Customer Service Department for assistance.

   Emergency vision care is subject to the same benefit frequencies, plan allowances, Copayments and exclusions stated herein. Reimbursement to Member Doctors will be made in accordance with their agreement with VSP.

6. In the event of termination of a Member Doctor's membership in VSP, VSP will remain liable to the Member Doctor for services rendered to you at the time of termination and permit Member Doctor to continue to provide you with Plan Benefits until the services are completed or until VSP makes reasonable and appropriate arrangements for the provision of such services by another authorized doctor.

7. VSP will reimburse covered services provided via telehealth on the same basis and to the same extent as covered services delivered in-person.

BENEFIT AUTHORIZATION PROCESS

VSP authorizes Plan Benefits according to the latest eligibility information furnished to VSP by Covered Person's Group and the level of coverage (i.e., service frequencies, covered materials, reimbursement amounts, limitations, and exclusions) purchased for Covered Person by Group under this Plan. When Covered Person requests services under this Plan, Covered Person's prior utilization of Plan Benefits will be reviewed by VSP to determine if Covered Person is eligible for new services based upon Covered Person's Plan's level of coverage. Please refer to the attached Schedule of Benefits for a summary of the level of coverage provided to Covered Person by Group.

A. **Appeals**: If VSP denies the doctor's request for prior authorization, the doctor, Covered Person or the Covered Person's authorized representative may request an appeal of the denial. Please refer to the section on Claim Appeals, below, for details on how to request an appeal. VSP shall provide the requestor with a final review determination within thirty (30) calendar days from the date the request is received. A second level appeal, and other remedies as described below, is also available. VSP shall resolve any second level appeal within thirty (30) calendar days. Covered Person may designate any person, including the provider, as Covered Person's authorized representative.

For more information regarding VSP's criteria for authorizing or denying Plan Benefits, please contact VSP's Customer Service Department.

BENEFITS AND COVERAGES
Through its Member Doctors, VSP provides Plan Benefits to Covered Persons, subject to the limitations, exclusions, and Copayment(s) described herein. When you wish to obtain Plan Benefits from a Member Doctor, you should contact the Member Doctor of your choice, identify yourself as a VSP member, and schedule an appointment. If you are eligible for Plan Benefits, VSP will provide Benefit Authorization for you directly to the Member Doctor prior to your appointment.

IMPORTANT: The benefits described below are typical services and materials available under most VSP plans. However, the actual Plan Benefits provided to you by your Group may be different. Refer to the attached Schedule of Benefits and/or Disclosure to determine your specific Plan Benefits.

1. Eye Examination: A complete initial vision analysis which includes an appropriate examination of visual functions, including the prescription of corrective eyewear where indicated. Each Covered Person is entitled to a Eye Examination as indicated on the enclosed insert.

2. Lenses: The Member Doctor will order the proper lenses necessary for your visual welfare. The doctor shall verify the accuracy of the finished lenses. Each Covered Person is entitled to new lenses as indicated on the enclosed insert.

3. Frames: The Member Doctor will assist in the selection of frames, properly fit and adjust the frames, and provide subsequent adjustments to frames to maintain comfort and efficiency. Each Covered Person is entitled to new frames as indicated on the enclosed insert.

4. Contact lenses: Unless otherwise indicated on the enclosed insert, contact lenses are available under this Plan in lieu of all other lens and frame benefits described herein.

   When you obtain Necessary contact lenses from a Member Doctor, professional fees and materials will be covered as indicated on the enclosed insert.

   When Elective contact lenses are obtained from a Member Doctor, VSP will provide an allowance toward the cost of professional fees and materials. A 15% discount shall also be applied to the Member Doctor's usual and customary professional fees for contact lens evaluation and fitting. Contact lens materials are provided at the Member Doctor's usual and customary charges.

5. If you elect to receive vision care services from one of the Member Doctors, Plan Benefits are provided subject only to your payment of any applicable Copayment. If your Plan includes Non-Member Provider coverage and you choose to obtain Plan Benefits from a Non-Member Provider, you should pay the Non-Member Provider his full fee. VSP will reimburse you in accordance with the reimbursement schedule shown on the enclosed insert, less any applicable Copayment. THERE IS NO ASSURANCE THAT THE SCHEDULE WILL BE SUFFICIENT TO PAY FOR THE EXAMINATION OR THE MATERIALS. Availability of services under the Non-Member Provider reimbursement schedule is subject to the same time limits and Copayments as those described for Member Doctor services. Services obtained from a Non-Member Provider are in lieu of obtaining services from a Member Doctor and count toward plan benefit frequencies.

6. Low Vision Services and Materials (applicable only if included in your Plan Benefits outlined on the enclosed insert): The Low Vision Benefit provides special aid for people who have acuity or visual field loss that cannot be corrected with regular lenses. If a Covered Person falls within this category, he or she will be entitled to professional services as well as ophthalmic materials including but not limited to supplemental testing, evaluations, visual training, low vision prescription services, plus optical and non-optical aids, subject to the frequency and benefit limitations as outlined on the enclosed insert. Consult your Member Doctor for details.

COPAYMENT
The benefits described herein are available to you subject only to your payment of any applicable Copayment(s) as described in this booklet and on the enclosed insert. ANY ADDITIONAL CARE, SERVICE AND/OR MATERIALS NOT COVERED BY THIS PLAN MAY BE ARRANGED BETWEEN YOU AND THE DOCTOR.

COMPLAINTS AND GRIEVANCES

If Covered Person ever has a question or problem, Covered Person's first step is to call VSP's Customer Service Department. The Customer Service Department will make every effort to answer Covered Person's question and/or resolve the matter informally. If a matter is not initially resolved to the satisfaction of a Covered Person, the Covered Person may communicate a complaint or grievance to VSP orally or in writing by using the complaint form that may be obtained upon request from the Customer Service Department. A grievance is any written or oral expression of dissatisfaction regarding the plan and/or provider, including quality of care concerns, a complaint, dispute, request for reconsideration or appeal made by a Covered Person or the Covered Person's representative. This includes a written or oral expression of dissatisfaction by a Covered Person or group contract holder who believes their plan contract has been or will be improperly cancelled, rescinded, or not renewed. Covered Persons also have the right to submit written comments or supporting documentation concerning a complaint or grievance to assist in VSP's review. VSP will resolve the complaint or grievance within thirty (30) days after receipt

Claim Payments and Denials

A. Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of the receipt of the claim from the Covered Person or Covered Person's authorized representative. In the event that a claim cannot be resolved within the time indicated VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

B. Request for Appeals: If a Covered Person's claim for benefits is denied by VSP in whole or in part, VSP will notify the Covered Person in writing of the reason or reasons for the denial. Within one hundred eighty (180) days after receipt of such notice of denial of a claim, Covered Person may make a verbal or written request to VSP for a full review of such denial. The request should contain sufficient information to identify the Covered Person for whom a claim for benefits was denied, including the name of the VSP Enrollee, Member Identification Number of the VSP Enrollee, the Covered Person's name and date of birth, the name of the provider of services and the claim number. The Covered Person may state the reasons the Covered Person believes that the claim denial was in error. The Covered Person may also provide any pertinent documents to be reviewed. VSP will review the claim and give the Covered Person the opportunity to review pertinent documents, submit any statements, documents, or written arguments in support of the claim, and appear personally to present materials or arguments. Covered Person or Covered Person's authorized representative should submit all requests for appeals to:

VSP
Member Appeals
3333 Quality Drive
Rancho Cordova, CA 95670
(800) 877-7195

VSP's determination, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for appeal from the Covered Person or Covered Person's authorized representative.

When Covered Person has completed all appeals mandated by the Employee Retirement Income Security Act of 1974 ("ERISA"), additional voluntary alternative dispute resolution options may be available, including mediation and arbitration. Covered Person should contact the U. S. Department of Labor or the State insurance regulatory agency for details. Additionally, under ERISA (Section 502(a)(1)(B)) [29 U.S.C. 1132(a)(1)(B)], Covered Person has the right to bring a civil (court) action when all available levels of denied claims, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

C. Review by the Department of Managed Health Care: The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at (800) 877-7195 and use your health plan grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for an IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of the proposed service or treatment, coverage decisions for treatments that are experimental, investigational in nature and payment disputes for emergency or urgent medical reviews. The Department also has a toll-free telephone number (1-888-466-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Web site www.dmhc.ca.gov has complaint forms, IMR application forms and instructions online.

The plan's grievance process and the Department's complaint review process are in addition to any other dispute resolution procedures that may be available to Covered Persons, and the failure to use these procedures does not preclude Covered Person's use of any other remedy provided by law. You are not required to use a specific form to submit a grievance to the department. If a member or group contract holder submits a grievance to the plan or the department before the effective date of a cancellation, rescission, or nonrenewal for reasons other than nonpayment of premiums, the plan shall continue to provide coverage until a final determination regarding the request for review has been made.

ARBITRATION
Any dispute or question arising between VSP and Group or any Covered Person involving the application, interpretation, or performance under this plan shall be settled, if possible, by amicable and informal negotiations. This will allow such opportunity as may be appropriate under the circumstances for fact-finding and mediation. If any issue cannot be resolved in this fashion, it shall be submitted to arbitration. The procedure for arbitration hereunder shall be conducted pursuant to the Rules of the American Arbitration Association.

TERMINATION OF BENEFITS

Terms and cancellation conditions of this plan are shown on the enclosed insert. Plan Benefits will cease on the date of cancellation of this plan whether the cancellation is by Group or by VSP due to non-payment of Premium. If service is being rendered to you as of the termination date of this plan, such service shall be continued to completion, but in no event beyond six (6) months after the termination date of this plan.

INDIVIDUAL CONTINUATION OF BENEFITS

This program is available to groups of a minimum of ten (10) employees and is, therefore, not available on an individual basis. When a Group terminates its coverage, individual coverage is not available for Enrollees of the Group who may desire to retain their coverage.

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985 (COBRA)

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that, under certain circumstances, health plan benefits available to an eligible Enrollee and his or her Eligible Dependents be made available for purchase by said persons upon the occurrence of a COBRA-qualifying event. If, and only to the extent COBRA applies, VSP shall make the statutorily required continuation coverage available for purchase in accordance with COBRA.

PROCEDURES FOR OBTAINING SUPPLEMENTAL PRIMARY EYECARE SERVICES

COVERED PERSON HAS A GROUP MEDICAL PLAN

The Supplemental Primary EyeCare Plan provides coverage for certain vision-related medical services as a supplement to Covered Person's group medical plan. Covered Persons should refer to the plan booklet, certificate of coverage or other benefits description for their group medical plan to determine how to obtain plan benefits.

The provider should first submit a claim to Covered Person's group medical insurance plan. Any amounts not paid by the medical plan may then be considered for payment by VSP. (This is referred to as "Coordination of Benefits" or "COB." Please refer to the Coordination of Benefits section of Covered Person's Evidence of Coverage for additional information regarding COB.)

COVERED PERSON DOES NOT HAVE A GROUP MEDICAL PLAN

When Covered Person does not have a group medical plan, the Supplemental Primary EyeCare Plan provides Plan Benefits as follows:

1. Covered Person contacts Member Doctor and makes an appointment.

2. Covered Person pays the applicable Copayment at the time of each Supplemental Primary EyeCare visit and amounts for any additional services not covered by the Plan.

REFERRALS

If Covered Services cannot be provided by Covered Person's Member Doctor, the doctor will refer the Covered Person to another Member Doctor or to a physician whose offices provide the necessary services.

If the Covered Person requires services beyond the scope of the PEC Plan, the Member Doctor will refer the Covered Person back to a physician.

Referrals are intended to insure that Covered Persons receive the appropriate level of care for their presenting condition, **Covered Persons do not require a referral from a Member Doctor in order to obtain Plan Benefits.**

Vision Care for Life

CONTINUATION COVERAGE UNDER CAL-COBRA

If you are covered under a group policy providing coverage to 2 to 19 eligible employees, you may be eligible to purchase continued coverage under this group vision plan under California Health and Safety Code Section 1366.20 et seq. (Cal-COBRA).

You may qualify for Cal-COBRA continuation coverage if you lose coverage for one of the following reasons:

a. The death of the covered employee.
b. The termination of employment or reduction in hours of the covered employee's employment, except that termination for gross misconduct does not constitute a qualifying event.
c. The divorce or legal separation of the covered employee from the covered employee's spouse.
d. The loss of dependent status by a dependent enrolled in the group benefit plan.
e. With respect to a covered dependent only, the covered employee's entitlement to benefits under Title XVIII of the United States Social Security Act (Medicare).

As a condition of receiving benefits, you must notify VSP within 60 days of the loss of coverage for one of the foregoing reasons. FAILURE TO NOTIFY VSP WITHIN THE REQUIRED 60 DAY PERIOD WILL DISQUALIFY YOU FROM RECEIVING CONTINUATION COVERAGE.

You must request the continuation in writing and deliver the written request to VSP by first class mail or other reliable means of delivery within the 60 day period following the later of (1) the date your coverage under the group benefit plan terminated or will terminate by reason of a qualifying reason, or (2) the date you were sent notice from the group benefit plan or VSP of eligibility to continue coverage under Cal-COBRA.

In order to continue receiving coverage under this plan, you are responsible for making all of the required premium payments in accordance with the terms and conditions of the plan contract. The first premium payment must be made to VSP by first-class mail, certified mail or other reliable means of delivery including personal delivery, express mail, or private courier within 45 days of the date you provided written notice to VSP of your election of continuation of benefits. The first premium payment must equal an amount sufficient to pay any required premiums and all premiums due. Failure to submit the correct premium amount within the 45-day period will disqualify you from receiving continuation coverage.

Notice: If the contract between VSP and the employer is terminated prior to the date your continuation coverage would terminate pursuant to the Cal-COBRA statute, you may elect continuation coverage under the employer's subsequent group benefit plan, if any, for the balance of the period you would have remained covered under this plan. However, continuation coverage shall terminate if you fail to comply with the requirements pertaining to enrollment in and payment of premiums to the new benefit plan within 30 days of receiving notice of termination of the prior group benefit plan.

All notices to VSP must be sent to:
